Making Sense of Change Management - Kogan Page

Making Sense of Change Management is the classic text in the field of change management. It is aimed at anyone who wants to understand why change happens, and what needs to be done to make change a welcome rather than a dreaded concept. However, this book is not a "one size fits all" simplistic panacea to all change, whatever the circumstances.

"There has long been a need for a readable, practical but ...

Change management is a systematic approach to dealing with change, both from the perspective of an organization and on the individual level. A somewhat ambiguous term, change management has at least three different aspects, including: adapting to change, controlling change, and effecting change.

Making Sense of a Change Management - UK Essays

Written for students and professionals alike, Making Sense of Change Management is the classic text in the field. It is aimed at readers who want to understand why change happens, how it happens and what needs to be done to make change a welcome concept rather than a dreaded one.
