Obstetric emergency management - kidocs.org

Obstetric emergencies. The management of emergencies is usually the responsibility of hospital obstetricians. As more maternity care is now given in the community, however, midwives, general

practitioners, and paramedics may be involved and must know the outlines of management of emergencies and the possible side effects.

ABC of labour care: Obstetric emergencies

In the UK, obstetric emergency training is conducted nationally, for example, Advanced Life Support in Obstetrics (ALSO) and Managing Obstetric Emergencies and Trauma (MOET), as well as locally within maternity units (2).

Training for obstetric emergencies | Patient Safety ...

In this book the author presents a video atlas in which obstetrics and gynecology specialists from the US detail step-by-step procedures for the diagnosis and management of acute maternal emergencies in labor and delivery, postpartum, emergency room areas, and intensive care.
